Dear Mr. Brown:

I wanted to thank you for your moving performance at the *Collaboration for Ministry Conference* in Myrtle Beach last Thursday. Your interactive performance was filled with an abundance of energy and the spiritual nature of your songs made it a perfect fit for our audience. I sincerely appreciate your willingness to perform the special song requests of the audience and believe this made your performance even more meaningful for them.

We have received numerous compliments and praise on your performance with several people asking for your contact information. We will certainly keep you in mind for other events sponsored by the Sisters of Charity Foundation of South Carolina.

Sincerely,

Thomas C. Keith
